County X-Ray Unit To Visit

Continuing with the x-ray surveys, which have been a feature of the tuberculosis case finding program of the Los Angeles County Health Department, since 1938, arrangements have been made to provide chest x-rays for the public at several locations in the Torrance Health District beginning May 2 and ending May 10, according to Dr. Roy O. Gilbert, county health officer.

The county's mobile unit will be stationed in front of the Torrance Civic Auditorium on May 4 from 10 a.m. to 3:30 p.m., and again on May 7 from 1 to 7 p.m. No appointment is necessary, time involved is less than a minute, and there is no charge for the service to the individual, according to the announcement. All residents over 15 years of age are urged to obtain an x-ray, but minors must have the written consent of their parents.

Dr. Gilbert emphasized in his announcement that although many people in the area received chest x-rays during the county-wide tuberculosis survey last year, that private physicians and public health officials recommended chest x-rays for ALL citizens.

"This provides protection for the person x-rayed, his family and others in the community," Dr. Gilbert said. "An early diagnosis of chest ailments insures prompt treatment, and an x-ray is one means of determining whether or not an abnormal chest condition is present," he continued.

Findings in these x-ray films can include—in addition to tuberculosis, chest tumors, unusual heart conditions and other diseases peculiar to the chest cavity, the doctor advised. Reports are confidential.

OPEN POLICE SHOW

Comedian Jack Benny, together with Phil Harris, will open the 17th annual Los Angeles Police Show next Thursday and Friday (May 3 and 4). Police Chief W. A. Parker, announced this week.

The two will head a list of ten of the entertainment industry's greatest stars who will appear on different nights as guest artists, Parker said.
